ANATOMY OF ARTS

MASTER SERIES OVERVIEW

The MASTER CLASS SERIES by Anatomy of Arts at the clinic is an internationally recognized established platform which offers academic and educational programs to a wide variety of local and international studios and centers throughout China.

Its aim is to enrich the quality of education as well as to expand and preserve the yogic sciences in China, by facilitating local studios and partners ways of offering undistorted transmission of traditional Yoga through specialized teacher trainings, lectures and workshops to the ones who value actual students development and would like to achieve international standards.

THE ANATOMY OF ARTS YOGA & MEDITATION SCHOOL

Anatomy of Arts, recognizes the importance of integrating movement and the mindful arts into our daily lives. We see each individual as the gateway towards a healthier and striving society.

Our sense of aesthetics is also reflected in all our spaces, inspiring time for introspection as well as integration into a community of caring practitioners of the different disciplines.
